EXPERIENCE AND EXPERTISE

As a software developer with over 5 years of hands-on experience, I bring a robust skill set and a passion for innovation to every project. Proficient in a range of technologies including React, JavaScript, Flutter,Nextjs, TailwindCSS and Node.js, I have developed and deployed numerous successful applications across various platforms. My expertise lies in crafting efficient, scalable solutions that meet both client needs and industry standards. With a keen eye for detail and a dedication to continuous learning, I thrive in dynamic environments where I can contribute my expertise to drive projects forward.

WORK EXPERIENCE

Founder and Full Stack Developer - BluapeDevs

August 2023 - Present

- Established Bluapedev as a solo venture, specializing in custom software development solutions for diverse clients.
- Developed end-to-end web and mobile applications using React, JavaScript, Flutter, and Node.js, ensuring high performance and user satisfaction.
- Collaborated closely with clients to understand their requirements, providing tailored solutions that exceeded expectations and drove business growth.
- Actively engaged in continuous learning and professional development to stay updated on the latest technologies and best practices in the field.

UI/UX Designer and Frontend Developer (Contractor) - Coxeno Sports

Februray 2024 - March 2024

- Collaborated with the Cozeno Sport team as a contractor to enhance the user interface and user experience of their platform.
- Utilized expertise in UI/UX design principles to create intuitive and visually appealing interfaces that optimized user engagement and satisfaction.

CRP Support Worker - St Amant

December 2022 - August 2023

- Provided compassionate care and support to individuals with developmental disabilities, fostering a safe and nurturing environment.
- Assisted clients with daily living activities, including personal hygiene, meal preparation, and medication administration.
- Collaborated with interdisciplinary teams to develop and implement personalized care plans, ensuring individual needs were met effectively.
